

CARTELERAS DIGITALES

Our digital boards will allow you to convey messages more effectively and efficiently; using dynamical and flexible content throughout a network of strategically placed screens, which will ease the accomplishment of your business plans.

Diverse display modes

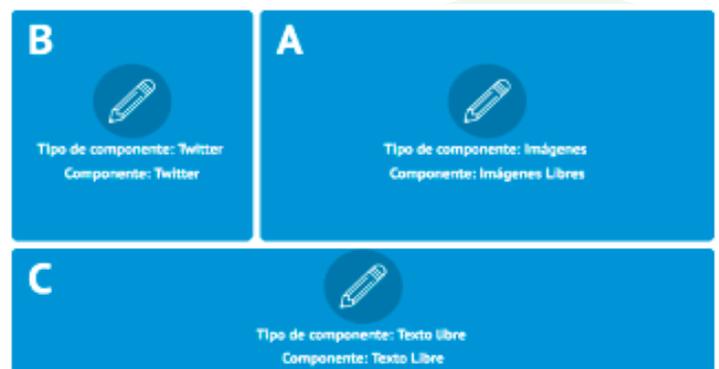

Our pre-defined templates will allow you to optimize content distribution, turning your screens into a high impact network of digital boards.

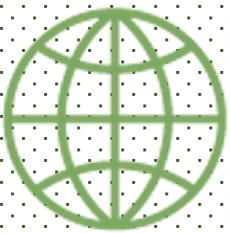

Generate your calendar

Present the information you want to share with precise timing, organize your calendar according to your needs.

All your information in one place

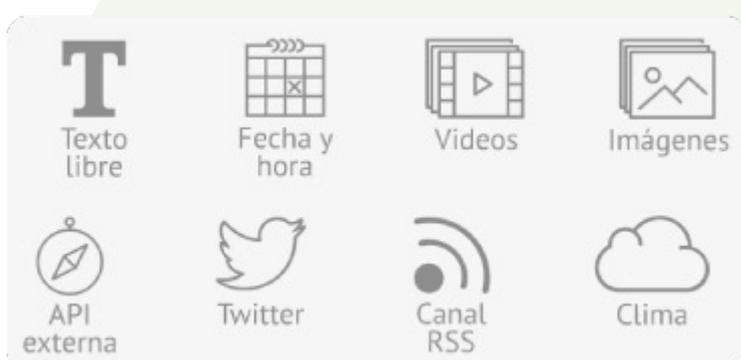

Adjust your schedule and content wherever you are by using your web browser.

Share content from your preferred sources and formats

The information from your enterprise and external sources will now share a unique place, our digital solution is compatible with multiple websites.

Support and company

We will accompany and support you before, during, and after the implementation process. Our maintenance schedule will guaranty the correct functioning of your network of digital boards.
